A News Letter of The Ohio State University Alumni Club of Greene County

Promoting Buckeye Spirit in Greene County

The Immediate Past

What a glorious end to November. We feasted on Wolverine one weekend and Turkey the next.

Buckeyes gathered at the home of James & Suzanne Root to cheer on the Buckeyes as Tressel continued his string of victories over That School Up North. This was a nail biter that kept everyone in the stands until the inevitable end (W).

The Buckeyes earned their fourth invite to the Fiesta Bowl and would stumble in their quest for a second national championship under Coach Tressel.

December is community service month. Buckeyes gathered at Marion's Pizza in Beavercreek and collected food for the Greene County Food Pantry (Bellbrook in 2006).

What's Next in 2007?

- Send in your membership dues, pledge card and interest questions
- Purchase and sell raffle tickets
- Send in your priority list for football game group ticket purchase

*** Send your questions about events to John Feltz
email: JFeltz@AOL.com
phone: 937 878-2895
mail: 573 Cherryhill Place, Fairborn, 45324

OVER

Scholarship Awards

The awards will be Thursday, May 3. Jack Park will be the speaker. Jack Park has entertained radio audiences since 1979 as a commentator for Sports Radio 1460 The Fan in Columbus. He is the author of several books about Ohio State including, *The Ohio State Football Encyclopedia, National Championship Edition*. He and his wife, Sue, have three children: Julie, Jane, and Jim.

Sixteen Greene County High School Seniors were interviewed on Saturday, Jan 27. Eight students from this group were recommended to Ohio State to receive a Greene County Scholarship with a value of \$750.

The funds for the scholarships come from the endowments at OSU. We encourage you to make a contribution to Greene County endowment fund and to purchase raffle tickets so that the endowment can grow and we can make more money available to the fine students in Greene County.

The Greene County Alumni who interview these students are always impressed with the qualities that the candidates display in academics, community services, interest in OSU, and character.

Please help support this worthy cause.

Football Raffle

You can help build the scholarship fund by purchasing the two books of tickets included with this mailing. It is easy. Rank the games on the ticket stubs by your interest. Then mail in the two books of tickets and \$10.00.

Your odds of winning are great since we award seven prizes. You could win \$120 and the chance to purchase two tickets to an OSU home game this fall.

Football Tickets

The Greene County Club has an opportunity to purchase group tickets to one OSU home game. We usually get tickets for one of the Non-Big Ten games. We could possibly get tickets for the Northwestern game, 9-22, this year. We need to know your interest. List your first three choices on

the membership card and mail them in as soon as possible. Game orders are usually made early in the year. Last year we got 50 tickets for the University of Cincinnati game.

Schottenstein Tour

We toured the Schottenstein Center and the new Recreation and Physical Activities Center (RPAC) at the same time. The RPAC replaced Larkins Hall.

We will try to arrange another tour this year. Is there a tour that would interest you? What days are you available for these tours? We have toured on Friday in May the last two years.

Please contact John Feltz if you want to join this tour. Some of those taking the tour will have lunch at the Buckeye Hall of Fame Café. This is also an interesting facility to tour.

Student Send Off

Reserve Sunday afternoon, August 26, to join about 100 other Buckeyes in a student send off for the Greene County Students who will enter OSU in the fall of 2007.

Meet the newest Buckeyes. Listen to some previous scholarship winners tell about their experiences at OSU. New students, parents of students, and alumni get first hand personal information about activities at OSU. All have a chance to pose questions for the previous scholarship winners who are current students at OSU.

Membership

Thanks for your support in the past. Your 2007 membership dues (use the red card enclosed with this newsletter) are payable now.

Please complete the interest survey on the back of the red card. We wish to know of your interests so that we can plan a program that meets the needs of the members.
