

"Buckeye Breakfast Gathering" at Country Hound Cafe

Please relay the following announcement to our RWA Buckeye Club membership.

It is confirmed that the RWA Buckeye Club (as identification to those having life experiences living, working, natives, fans, relatives, passer through, student, admirer or any other legal friendly association with the great state of OHIO), from May 13, 2008 until further authorized notice of cancellation or change, will meet and host, on the second TUESDAY of every month, at the Country Hound Cafe (Palm Plaza) in Englewood, as its official place for a back home style Buckeye Breakfast Gathering (BBG).

Gathering time will be 8:30 AM. For those late sleepers the last first cup of coffee will be served at 9 AM. Anyone being seated after 9 AM, without good cause or reason, will be required to deposit \$0.25 into the club financial account, first time guests excluded.

The Country Hound is owned and operated by the Rolfs family of Warren Ohio. They will be offering breakfast specials to our group which may change from month to month. Group tables will be reserved for the BBG. The Rolfes tell me they have already mentioned our plan and several of their regulars from Ohio may attend. I think this can become a good way to bring in new people.

We plan to invite guest speakers/presenters, special guests and celebrities from time to time. We encourage members to invite friends and Ohioans from outside the Rotunda West area. As discussed at our last meeting, time has come for us to highlight the Buckeye presence in our community. The first steps are association, active social relationships and community awareness. We are registering the BBG as a recurring community event/meeting for publication in several local newspapers and periodicals. Anyone with ideas or suggestions on how to beef this thing up give Don Fox or myself a call.

Come one, come all. The more--the merrier! It is time for the "...worthless nuts from OH-IO" to show their stuff! Lets wear the Ohio colors-emblems-logo if you have them. Look forward to seeing everyone there.

TUESDAY--MAY 13th, 2008--Country Hound Cafe, 1951 S. McCall Road--8:30 AM +/-
