

Welcome to Operation Buckeye

OPERATION BUCKEYE was formed with the sole purpose of sending boxes to our troops as a way to thank them for their efforts and to bring a touch of home to them. The physical conditions they endure are difficult and being away from family for long periods of time is also difficult.

OPERATION BUCKEYE boxes contain food and snacks, personal hygiene items, reading materials, and good wishes of love and support. All monies raised through letter writing campaigns, media exposure, and donations from individuals and companies are used to purchase items, supplies, and postage. **OPERATION BUCKEYE** provides caring civilians the opportunity to show their appreciation and respect to the men and women of our military stationed in hostile and remote regions of the world.

We are looking for you to bring donations to our Football Kickoff Party on the 22nd of August. Jodie Westin will put the boxes together and mail them off to our troops. Here is a list of items to donate:
