President's report - John Hines

A summary of our activities for the past year was presented including, volunteering with over 40 hours of labor with the St. Francis service dog project in Aug., participating in the College Fair in Salem in Sept, game watches in the fall, awarding of \$6,000 in scholarship money to Megan Day, Whitney Walton and Eddie Eichmann as well as a summer brunch for these students.

Treasurer's report- Karl Vandegriff

We collected 6320.00 for the 2010 year and paid out 7743.04. However, we still have approx \$2700 in our account. The apparent overspending is due to some changes in dates of when monies were due but will all tally normally . Still need annual dues from many members too.

presented \$2,000 scholarship awards to Paul Zivick (incoming freshman) , Rachel Taylor and Rick Moore current freshman. Our club has presented \$27,000.00 in scholarship funds since 2005, which is a large amount of money for the size of our club. The Lockridge fund is an outstanding asset helping us to achieve this goal. Randy McFarland is the new committee chair.

Introduction of speaker Cornelius Green OSU 72-76, BA Educ

Excellent re-cap of Mr. Green's experiences growing up and becoming the first black quarterback at Ohio State and playing with Archie Griffin (his roommate) and Pete Williams. Many interesting Woody stories as well. John Flick purchased a nice Longaberger basket and filled it with Virginia items as a gift for Cornelius
