Annual Football Alumni Gathering and
University Reunion Weekend 08!**

**Ohio State vs. Ohio University
Saturday, September 6, 2008**

The Buckeyes return 18 starters from last year's Big Ten Championship team and they have one goal...get back to its 3rd consecutive BCS National Championship Game. You are cordially invited back to campus for the 2008 OSU USG Alumni Society Tailgate to be held September 6th, 2008, preceding the Buckeyes' game against Ohio University. As in past years, the festivities will begin three (3) hours prior to kick-off. Please consult local listings the week of the game for an exact time. This year's event will be located once again in 12th & Cannon parking lot immediately south of Lincoln Tower (site of the USG Alumni Tailgate Party hosted by USG alums Bob Cody and Al Rodack). More specific directions will be mailed with the confirmation of your order.

Like previous years, there will be food, beverages and interesting conversation to highlight the best-attended USG alumni event of the year

Football tickets for alumni continue to be limited. Priority for ticket distribution will go to alumni who are members of the OSU Alumni Association and members of the USG Alumni Society. Each person will be limited to purchasing two game tickets or two total tickets per household and they must be purchased with the tailgate event. *Unlike prior years, ticket requests will be filled on a first-come, first served basis.* Confirmation notices will be sent by August 1, 2008 via email. Confirmation notices and maps to the tailgate will be mailed by August 15th. If you already have tickets to this game via other sources, we ask that you refrain from ordering Society tickets, but ask you to join your fellow alumni and us at the tailgate.

The USG Alumni Society needs your support for our annual Jeffrey Hayman Award that is given to an outstanding student member of the USG. Although the award is annual, the amount of the award fluctuates depending on the financial condition of the society. Because there is so much meaning surrounding this award, both for our organization and the recipient, we are beginning a campaign that will make the Jeffrey Hayman Award a permanent activity within our organization; one that will be able to sustain itself no matter what the condition of the society. With your help, we can strengthen our organization and the impact we make on hard working undergraduate students. The USG Alumni Society Board of Directors has already committed nearly \$2000 towards this initiative! Please consider a donation today (currently not tax deductible) and be one of the first to jump start our worthwhile campaign.
